# CONNACHT GAA GO GAMES 2019

The 2019 Connacht GAA Go Games Days in Croke Park took place on April 16th and 17th. In 2018 960 children across 48 teams participated from Connacht. This year 48 teams across hurling and football took part with over 1,000 kids attending, getting the opportunity to experience the field of dreams. The players involved got to play a number of games in Croke Park and get a tour of the Croke Park Museum. This initiative, which was spearheaded by former Connacht GAA Games Manager, John Tobin, first took place eleven years ago and has been an outstanding success. So far, over the eleven years every club in the province have had the opportunity of experiencing Croke Park. A full gallery of photos from the event can be viewed on Connacht GAA's Facebook page.
